Dear Ms. Clements:

Storage Authorization

The Wek'èezhii Land and Water Board (WLWB) discussed your request for a storage authorization pursuant to subsection 16(2-3) of the *Mackenzie Valley Land Use Regulations* in its meeting on January 20, 2012. The WLWB has approved your request and hereby authorizes New Nadina to store the items listed associated with Land Use Permit MV2004C0036 until **September 11, 2012**. Prior to this date, New Nadina must either:

1. hold a new Land Use Permit from the WLWB; or
2. complete removal of all buildings and equipment pursuant to subsection 16(1) of the *Mackenzie Valley Land Use Regulations*, restore the permit area pursuant to section 15, and submit a final plan pursuant to section 29.

The full cooperation of New Nadina Explorations Limited is anticipated and appreciated. Please contact Regulatory Officer Brett Wheler at brett@wlwb.ca or 867-765-4590 if you have any questions.

Yours sincerely,

A handwritten signature in black ink, appearing to read "V. Camsell-Blondin".
