Date Prepared: October 27, 2011	Meeting Date: November 7, 2011
Subject: Request for Storage Authorization	

1. Purpose/Report Summary

The purpose of this report is to present to the Board a request for storage authorization for land use permit W2006C0007 - Lane Dewar.

Current materials on site include; Buildings: 7 tents, Equipment: drill gear, drill rods, generator at drill site 4, Machinery: the Drill, generator, Material: Camp Supplies.

2. Background

- Land Use Permit was issued on October 6, 2006 with the expiry on October 2, 2011, this permit is now expired.
- A request for Storage Authorization was sent on September 30th, 2011 from Permittee.
- This Permit has been replaced with W2010C0005 (Novus Gold Corp); however, Novus Gold has not yet posted the required security to activate the new permit. The Storage Authorization will allow for materials and equipment to be stored on site until security is posted and the new permit becomes active.

4. Comments

In an email dated September 30, 2011, INAC Inspector Clint Ambrose sent in his recommendation in regards to a request for a Storage Authorization from Permittee. (See attachment)

"The undersigned Inspector has no concerns with the WLWB granting a storage authorization for land use permit W2006C0007."

5. Security

Permittee submitted the required security deposit in the amount of \$11,000.00, dated September 23, 2009.

6. Conclusion

There appear to be no concerns that would prohibit the Board from approving the storage authorization.

7. Recommendation

I recommend the Board approve the Storage Authorization for a period of one (1) year.
