Subject: Correction to KP Information for Highway 1 Quarry

Miki,

Please find attached our letter indicating the correct KP for Highway 1 quarry, which will also be distributed to stakeholders. Is there a possibility that our application will go to the Board for consideration this week?

Please don't hesitate to contact me if you have any questions.

Thanks,

Dear Ms. Ehrlich;

**Re: Enbridge Pipelines (NW) Inc. (“Enbridge (NW)”)
Land Use Permit Amendment Application to Permit MV2006P0018 (“Application”)
KM Correction for Highway 1 Sand Pit Quarry Location**

This letter is to notify the Mackenzie Valley Land and Water Board (“Board”) of a correction to the kilometer location referenced for the Highway 1 Sand Pit proposed quarry location in Enbridge (NW)’s Application, dated December 2, 2011, and associated correspondence.

Please note the Highway 1 Sand Pit referenced as located at KM 688 along the Mackenzie Highway should have been referenced as KM 668. The corresponding global positioning system coordinates provided for the site have not changed.

In accordance with Enbridge (NW)’s commitment to ongoing consultation, it will be providing a copy of this letter to stakeholders.

For any questions about this additional information, please contact Ann Marie Tout (Manager, Northern Region) at (867) 587-7015 or by email at annmarie.tout@enbridge.com or the undersigned.

Yours truly,

A handwritten signature in black ink, appearing to read 'Chantal Robert', is positioned above the typed name.
