Dear Ms. Mullaney,

**Re: Hamlet of Enterprise
Water Licence MV2008L3-0004
Request for Additional Review Time**

As per your discussion with representatives of the Department of Environment and Natural Resources (ENR) on August 5, 2009, I respectfully request an extension to the present review period to August 13, 2009. The extension will provide the opportunity for ENR to organize and submit comments that are important in regards to a proper review of the application.

The submitted comments and recommendations will be provided by ENR technical experts in the Environment Division, Forest Management Division, Wildlife Division and South Slave Region as necessary, and will be coordinated and collated by the Environmental Assessment and Monitoring Section (EAM).

Should you have any questions or concerns please do not hesitate to contact Patrick Clancy, Environmental Regulatory Analyst, at (867) 920-6591 or patrick.clancy@gov.nt.ca.

Sincerely,
