Subject: MV2008L3-0004 Hamlet of Enterprise - Plan Review

Good morning Tyree,

The MVLWB recently distributed the Operations and Maintenance Manual, the Interim Closure and Reclamation Plan, the Phase I ESA and the Solid Waste Planning study for Water Licence MV2008L3-0004 for the Hamlet of Enterprise. Upon review, DFO would like to inform you that we have no concerns with these plans. We would like to comment that at such time the landfill is expanded or relocated, we would appreciate the opportunity to do a more indepth review and provide advice regarding fish and fish habitat.

If you have questions or comments, please contact me at your convenience.

Regards,

Rick
