Dear Mr Carter:

Incomplete Application – Quarry, Highway No. 5 km 5.4

The Mackenzie Valley Land and Water Board (MVLWB or the Board) received your application for Land Use Permit MV2010X0022 on April 30, 2010. MVLWB staff has determined that there is insufficient information to conduct a preliminary screening in accordance with paragraph 22(1)(a) of the Mackenzie Valley Land Use Regulations (MVLUR). Please submit the following information so MVLWB staff can consider the application complete and forward it for review:

1. A valid quarry permit issued by Indian and Northern Affairs Canada;
2. Clarification on fuel storage on site: Will there be fuel stored on site and if so how much? and
3. Follow up information in the community involvement log.

For further information, please refer to "Guide For Completing Land Use Permit Applications to the Mackenzie Valley Land and Water Board" available on our website at www.mvlwb.ca/mv under "Forms and Guides".

Upon receipt of this information, MVLWB staff will process the application and the review period will begin. If you need further clarification, please contact me at (867) 669-0506 or email permits@mvlwb.com.

If you do not provide the requested supplementary information within 90 days, the MVLWB will assume that you do not wish to continue with this application.

The Board will then return the application to you as per section 25 of the MVLUR. Indian and Northern Affairs Canada will refund any land use fees you have submitted in conjunction with this application.

Yours sincerely,

A handwritten signature in cursive script that reads "Lynn Carter".
